Husbands: You are the DJ for the night. Before your date, put together an epic mix tape playlist. Include a few songs from when you were dating or from your wedding. Also, throw in a few songs just for fun (i.e. *She Thinks My Tractors Sexy* or anything from 90's boy bands). Songs to avoid: *Love Stinks*, *Love Hurts*, or *All My Exes Live in Texas*.

Wives: If you are staying home, you get to choose the dessert or snack for the evening. If you are going out, you get to choose the restaurant.
